

PhD Study

I.

1. research proposal
2. personal statement
3. joint degree
4. co-supervisor
5. viva voce
6. fundamental/basic
7. applied
8. contrac(tual)
9. hard sciences
10. soft sciences
11. poster
12. (peer-)reviewed (BE)/refereed (AE)
13. impact factor (of an academic journal)
14. citation index
15. transcript
16. state-of-the-art/leading-edge

II.a)

1. write, work on; review; present; defend
2. do, conduct, carry out, perform
3. write; submit; approve, reject
4. write; do, carry out, work on; collaborate on
5. apply for; get, receive; approve, reject
6. make
7. (student) enrol on/for, register for; do, take, attend; pass, fail; drop out of
(teacher) teach, run
8. (student) attend, go to; listen to; miss; skip
(teacher) give, deliver (formal), do (informal)
9. do, study for, take; receive, gain, obtain, get; be awarded; have, hold
10. hold, organize; take place; participate in/attend
11. gain, have

II.b)

1. make; have; carry out, implement
2. do, make, perform, carry out
3. make, perform, carry out
4. develop, build, make
5. do, run, perform, carry out
6. do, carry out, conduct, perform
7. make

III.

1. in
2. for
3. on
4. under
5. on
6. in
7. in
8. at
9. on/into
10. on
11. on
12. for
13. before
14. to

IV.
